STEVEN McLAREN

A founder of Parkview Homes and partner in the Parkview Group of Companies.

For over thirty years in new home development and construction industry, Steven McLaren has shown how one man can inspire and make a difference by following his principles and conviction.

As the original founder of Parkview Homes, Steven is passionate about creating a home building business that embraces the commitment of integrity, quality and superior craftsmanship.

Understanding customers needs and desires is a top priority and the secret of success for Steven in creating this award-winning local company, which is currently developing and building all types of communities throughout the City of Peterborough and the Kawarthas. Steven recognizes that hardwork and dedication are the cornerstones of a successful company and acknowledges that his business was also built in part by the kind referrals of his loyal customers.

An active registered Homebuilder and Land Developer within the Province of Ontario since 1983, and within The City of Peterborough and the Kawarthas since 1988.

Expansive knowledge and experience in land development, new home development, condominium development, municipal official plans, zoning by-laws, building code and building design.
